

# SWRE POWER SOURCE

*A Supplement to Oklahoma Living*

## GIVING BACK IS THE CO-OP WAY

// Cooperatives across the globe adhere to the same Seven Cooperative Principles that guide all of our decisions—from how we run the co-op to how we engage with our local communities. Concern for Community is the seventh principle, and it is one that all employees of SWRE value year-round. But during the holiday season, Concern for Community seems especially important.

Electric cooperatives have a proud history of giving back. Whether it's monetary sponsorships or the donation of employees' time, SWRE gives back to organizations in our community when we can. Employees and board members live in the communities that we serve, and our giving is directly tied to the co-op's mission of improving the quality of life in our service area.

Our commitment is also global. Through the Oklahoma Energy Trails Foundation, we have sent lineworkers to Guatemala so they can help bring power to thousands of people who have never experienced the benefits of electricity.

Members help us give back, too. Through Operation Round Up, members can voluntarily "round up" their electric bills to the next dollar amount, and the change goes toward helping those in need right here in our community.

We challenge you to find a way to exhibit Concern for Community in your personal life this holiday season. There are many ways you can give back to the community that go beyond dollar donations. Take some time to go through your closets and find clothes that no longer fit or have lost their use. Bag those items up and take them to your local Salvation Army, Goodwill or church clothing drive. If health permits, donate blood at your local blood bank. Volunteer for a local food or toy drive, deliver meals to the sick and the elderly, or simply make a meal for a neighbor in need.

No matter how great or small the act, every time we give back, we strengthen our community. Take the time to give back this holiday season. You'll be glad you did.

// Jeff Simpson, CEO

# UNCLAIMED CAPITAL CREDITS

SWRE's board of directors retired \$445,006.91 in capital credits this year to members who had active electric service with SWRE through 1988. Capital credit checks were mailed in August, and many were determined undeliverable by the post office or were never cashed.

We need help locating the members listed below! If you have current contact information for the following businesses, individuals, or heirs, please call the co-op at 1-800-256-7973.
